The 1956 staff of American University's year-book takes pride in presenting the first TALON. As our college grows and changes so do many of our traditions; some out of necessity, some out of mutual consent of the students. However, we keep many traditions sacred, and on the following pages, in our theme, we present one of our most cherished . . . our Alma Mater.

Dear old A. U. . . . we toast to thee . . .

Pledge our honor . . . our loyalty.

*We'll remember red, white and blue
The pride and glory that we knew.*

We will cherish those days serene,

Golden Friendships . . . Familiar scenes.

*Bonds will hold us Forever true,
To Alma Mater . . . old A. U.*

Dedication

If any one person is to be given credit for the tremendous growth in the student body at American University, then that credit should go to Stafford H. Cassell. Making countless trips throughout the East each year, he is in many cases the student's first personal contact with AU. His magnetic personality has attracted many new faces to our campus.

Having attended AU as a student, teacher, coach and administrator, he is perhaps the best qualified to represent our college in the capacity in which he now serves, Assistant to the President.

To many of us he is known as "Pop," obviously not because of his age, but because he is always ready to lend a bit of advice and a helping hand to the students.

The cigar, his friendly smile, and the fast stepping pace are all characteristic of this popular campus figure.

It is with great pride then, that we dedicate the 1956 TALON to "Pop" Cassell.

Administration and Faculty

The President

If one were to look about for a personal symbol of The American University, none would serve better than the University's President Hurst R. Anderson. With his jaunty walk and the attitude of a man who knows where he is going and how he intends to get there, President Anderson typifies what has happened to AU during the years in which he has served at its helm.

In spite of a full calendar and a day which not only entails University obligations but civic, national and international obligations as well, President Anderson remains essentially a man who is interested in the students.

Always willing to take time out of a busy schedule to advise on such problems as yearbook layout, on tap for the annual Christmas banquet, sitting at the plays or the basketball games, President Anderson lends his personal support to the many phases of campus activity. Often at his side and acting in his stead when duties call him away from being present at various functions is his charming wife, Mrs. Anderson. Mrs. Anderson lends her personal warmth to many student functions, the faculty-student teas, the various open houses and any other occasion which may arise.

This year for the first time, the Andersons will be watching the graduation of the first class at American University that they have known since the class first arrived on campus to go through freshman orientation week. The class can take great pride in the Andersons for what they have done for The American University. It is to be hoped that the Andersons will take a great pride and share the fond memories with the Class of '56 over a happy four years together, four years in which enormous growth has taken place but through which the personal interest of the small college has never been neglected by our President.

Vice President

DR. DAYTON E. McCLAIN

Dr. Dayton E. McClain, Vice-President of the American University, is a well known figure to the students on campus.

Always possessing a friendly smile and greeting for the students, he has done much to aid in the development of AU.

Dean Emeritus

DR. JOHN E. BENTLEY

A great asset to the spirit and tradition of the American University is Dr. John E. Bentley. One who is respected by all and one who gives his all to the students—a combination of teacher and friend to everyone who knows him, he is well loved by both faculty and students alike.

DR. WALTER F. SHENTON

DR. FRITZ KARL MANN

A Fond Farewell

This year, the American University faculty will lose three outstanding members who are retiring. These are Dr. Walter F. Shenton, chairman of the Mathematics Department, who has served as advisor to Omicron Delta Kappa and has lent a helping hand to other organizations on campus; Dr. Fritz Karl Mann, a world-famous economist and professor at the Downtown School; and Dr. George Bush, a member of the Political Science Department and also of the Downtown School.

These men will always be remembered for their work in their respective fields and their service to American University.

Pile Up at the Georgetown Game

The Basketball

Playing a tough 22 game schedule, AU's Basketball Eagles came on magnificently to win seven of their last ten games and balance their season's record at 11 wins and 11 losses.

In Mason-Dixon Conference play, AU tied for 4th place with an 8 and 5 record, thus entering the Mason-Dixon Tournament for the fourteenth time in fifteen years of Conference competition.

Graduating seniors playing their last year for AU were Co-captains Jim Williams and Sandy Sneddon, and Dick Parker.

Williams provided AU fans with their biggest thrill in the last game of the season against undefeated Conference champ Loyola, when he stole the ball and dribbled the length of the court to score, giving the Eagles a 73-71 upset win.

After a seige with pneumonia, Sneddon returned to the AU lineup and provided the inspiration in the Eagles late season surge.

Parker proved himself AU's biggest court surprise. His re-bound work and set-shooting were tremendous throughout the season.

Although Coach Dutch Schulze loses Williams, Sneddon and Parker, he will have record-breaking sophomore Frank Weiss to build next year's team around. Weiss was named to both the Mason-Dixon Conference and all-tournament teams. He became the second sophomore in Conference history ever acclaimed this honor. His all-around ability was witnessed in

the fact that he led the Eagles in field goals and foul shooting with 50 percent from the floor and 82 percent from the foul line. Frank's two year scoring total is 816 points making him the second highest scorer in AU history.

GAME HIGHLIGHTS

AU opened at Georgetown University. Eagle rally fell short as Hoyas won 60-58. Weiss, Comito and Sneddon hit in double figures for AU.

Navy 75, AU 51. The Eagles visited the Naval Academy and were sunk by tremendous Middie shooting and a well-balanced, running attack. Comito, led the Eagles scoring with a great second half shooting demonstration.

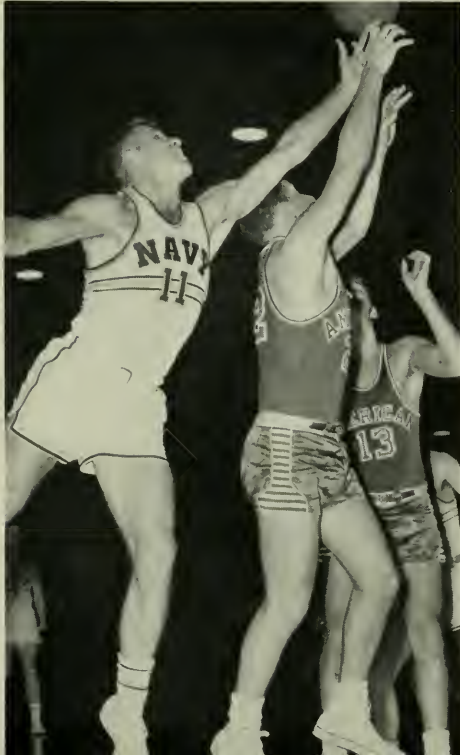

Homecoming and AU's first victory, 63-58, over Catholic U. Great team play by Weiss, Comito, Sneddon, Ryland, Williams and Parker. Eagles led all the way.

Coach Schulze cleared the bench as AU man-handled Gallaudet 75-60. Comito and Weiss in the first half; Parker and Ryland in the second half provided scoring punch for the Eagles.

Mount St. Mary's beat the Eagles handily for the second time this season with a score of 83-69. Standout for AU was center, Frank Weiss with 23 points and great rebounding.

Eagles won seventh Conference game and came from behind to defeat Western Mary-

land, 43-36. Comito, Sneddon, Weiss, Parker, Ryland all hit in double figures.

AU ended the season with its sweetest victory, a 73-71 upset of Loyola. Frank Weiss led the Eagles with 30 points, but Jim Williams was the game's hero with a last minute steal and the winning basket.

MASON-DIXON TOURNAMENT

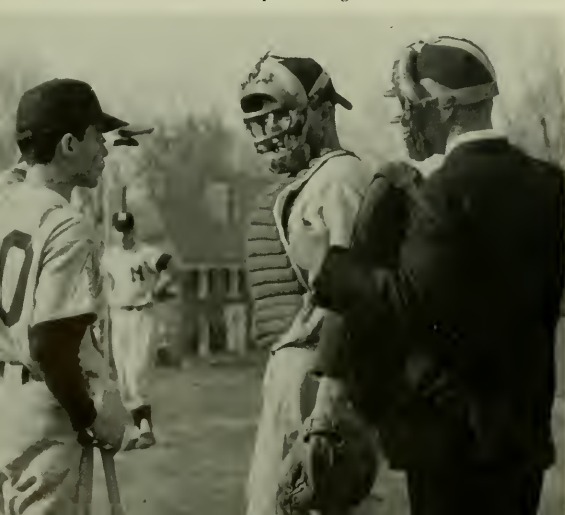

The Eagles lost the first round contest with Roanoke, 83-82. AU built up a twelve point lead but quickly lost it when the "big" men fouled out. The game proved a battle between all-tournament Foltz for Roanoke and Weiss for AU. Weiss had 17 points before fouling out.

Baseball

Eagle baseball hopes soared this season. Coach Dutch Schulze had 10 returning lettermen from which to choose his starting nine.

The infield featured veterans Wally Ryland, catcher; Sonny Day, first base; Jay Chamblin, third base; and Jim Williams at short stop. Freshman Al Fienstein has been groomed to complete the inner circle at second base.

The outer gardens were patrolled by Dick Parker, Bill McCarthy, and versatile Joe Pellegrino.

Wrestling

It was a rough season on the mats for AU's wrestling Eagles, and only a love of sport and a feeling of unity of purpose held the squad together for the tough four-month grind. Though they salvaged but one victory out of six dual Mason-Dixon Conference matches, the matmen did find satisfaction in the knowledge that they were steadily improving and gaining experience in a highly scientific and specialized type of activity that was brand new to most of the members.

The 56 Eagle grapplers were captained by Walt Gallagher, whose smooth style and calm assurance provide quite an incentive for the many greenhorns. Gallagher's .500 won-lost record in the 147-pound weight class also made him the team's second best individual performer.

One hundred thirty-seven pound John Dawson, was the

only returning letterman on the squad. He is an example of what a man can do with only one year's experience, provided it is accompanied by conscientious, concentrated practice and physical conditioning. Dawson matched Gallagher's 3-3 performance total. His 5-3 decision over Gallaudet's Eddie Crawford was A.U.'s lone tally in the conference championships at Towson, Maryland.

A special vote of confidence for a job well done goes to wrestling coach Bill Tyson. Patient and quite realistic concerning the material he had, Tyson was there to provide the guidance that is always so necessary, especially with an inexperienced outfit.

This completes two seasons of wrestling at American University; seasons not particularly successful from a statistical point of view, perhaps, but indicative of a definite interest in a fascinating, constructive and highly entertaining sport. The present squad should return practically intact to the A.U. mats next season, bringing with it the same pioneering spirit, plus, we hope, a greater percentage of victories.

Soccer

American University's Soccer Eagles opened an imposing ten-game schedule against Mt. Saint Mary's College. The Eagle booters displayed their best form of the season while losing 3-1.

The remaining nine games were just as frustrating to the inexperienced A.U. booters who proved that desire alone can't win over experience.

Ken Hildreth, who made his initial debut as A.U. Soccer Coach this year, will have 13 experienced let-terms for the nucleus of next year's squad.

Cross Country

Cross Country running became part of the fall American University sports program this year. Coach Charlie Schools built his team around former Maryland high school 440 Dash champ, Ron Crown, and Jim Bassett, ex-Williamsport, Pennsylvania hurdler. Dick Kieffer, Frank Weiss, Andy Sonner and Bill Cravens completed the team.

The Eagle harriers won their first meet against Mt. Saint Mary's and placed at least one man "in the first three" in each of their six meets.

A.U. was deprived of 6th place in the Mason-Dixon Cross Country Finals when one man slipped and failed to finish.

Swimming

The 1955-56 swimming season was as close to a complete success as one can get and not achieve it. Coach Bob Frailey started with a nucleus of three experienced men, added five more as the season progressed, and whipped this group into a powerful swimming club.

Although the season was difficult in some respects because of lack of depth, it was never the less successful. Eagle mermen lost the Mason-Dixon Conference by only three points.

Hap Fairbairn and Barry Fenn were A.U.'s short distance swimmers. Bob Rumpf and Jerry Dobbin make the back stroke click. Hans Morsback in the breast stroke and Ton Ryam and Jim Apistolis in the 220 and 440, respectively, swam the longer distances.

Captain "Chuck" Bailey was the Eagles' outstanding competitor. Aside from being undefeated in Conference competition, Chuck also set two Conference records in the 220 and 440 freestyle events.

Track

The largest turnout of track candidates since resumption of the cinder sport in 1954 occurred this spring. Coach Charlie Schools welcomed 19 hopefuls to Reeves Athletic Field for two-a-day workouts around the oval and in the sawdust pit.

Returning lettermen included Ron Crown, Don Newton, dash men; Corky Kahn, pole vault; and Al Itzkoff, shot-put.

Eight meets were scheduled and from these Coach Schools selected competitors for the Mason-Dixon Track and Field Championships.

Men's Intramurals

Jerry Dobben Goes Over For a Winning Point

The Intramural program this year has been very competitive and enjoyable program both to the participants and the fans. This is the second year that the program has been run through the Intramural Council headed by William Blackburn. The success of the program is due to the hard work of this group.

The Alpha Tau Omega's were the victors on the grid-iron with a record of five wins and no defeats. They were followed by the powerful Phi Sigma Kappa team.

Alpha Sigma Phi's track team compiled the most points to be first in the track meet, and ATO's team was second. Individual trophies went to Edward Milani, Ind., for the running broad jump; Jerry Dobben, Alpha Sig, and Dick Horn, ATO, high jump; Pete Warring, Alpha Sig, sixty-yard dash; Randy Gardner, Phi Sig, baseball throw; Dewey Morris, ATO, 440; and ATO's relay team—Don Newton, Jack Patrick, Dick Horn, and Hap Fairbairn.

The swimming trophy was won by Alpha Tau Omega who edged out the Independents. Phi Sigma Kappa retired the Jack Woods trophy for the relay event.

The play-off tournament for the basketball crown was between Alpha Tau Omega, Phi Sigma Kappa, The Taus (ATO's second team), and Alpha Sigma Phi. The second round left ATO matched against Phi Sigma Kappa. The ATO's were victorious over the Phi Sigs by a score of 56 to 47.

Freshman Jim Campbell, ATO, led the pack of intramural golfers to win the trophy.

The 1954-55 winners of the Spring events were not mentioned last year because of the time element.

Alpha Sigma Phi's bowling six edged out ATO's team to place the bowling trophy in their house for a year.

Alpha Tau's volley ball team won over the Phi Sigs in the double elimination volley ball tournament.

The last intramural sport, softball, found six teams competing for the crown. Alpha Sig's team was defeated by the ATO nine.

At this writing the remainder of the season holds three trophies for the teams to battle over, bowling, volley ball, and softball.

Women's Intramurals

It was Ladies' Day at the track meet last fall with Kappa Delta sweeping through every event. Individual honors went to: Jane Fuller, standing broad jump and high jump; Peggy Bole, basketball and baseball throw; and Pat Blake, 60-yard dash. On the basis of this performance the girls from Kappa Delta were awarded a trophy.

Out of a field of 18 participants, the four girls to reach semi-finals in tennis were Peggy Bole, who com-

peted against Anne Barnard, and Liz Chin against Pat Fox. Liz and Peggy reached the finals and Peggy, after a real battle, defeated Liz 6-4, 6-3.

This fall found Phi Mu and Kappa Delta competing for the Hockey Trophy which the two teams shared last year. With just two teams competing, it was decided that the winner of two out of three games would retain the cup. The first game was tied; the second went to Phi Mu; the third was a tie, and was followed by a

fourth which was victorious of Kappa Delta. By this time it was mid-December, and pretty chilly for hockey so the two teams voted to share the award for the second year.

The bowling tournament opened with four teams competing, however there were only three teams to complete the four week series. All the teams were very close in the final analysis, but Phi Mu came out on top. The high game for the series was 182, bowled by Adrienne Thatcher, and the high average was 150, the honor of which was also taken by Adrienne Thatcher.

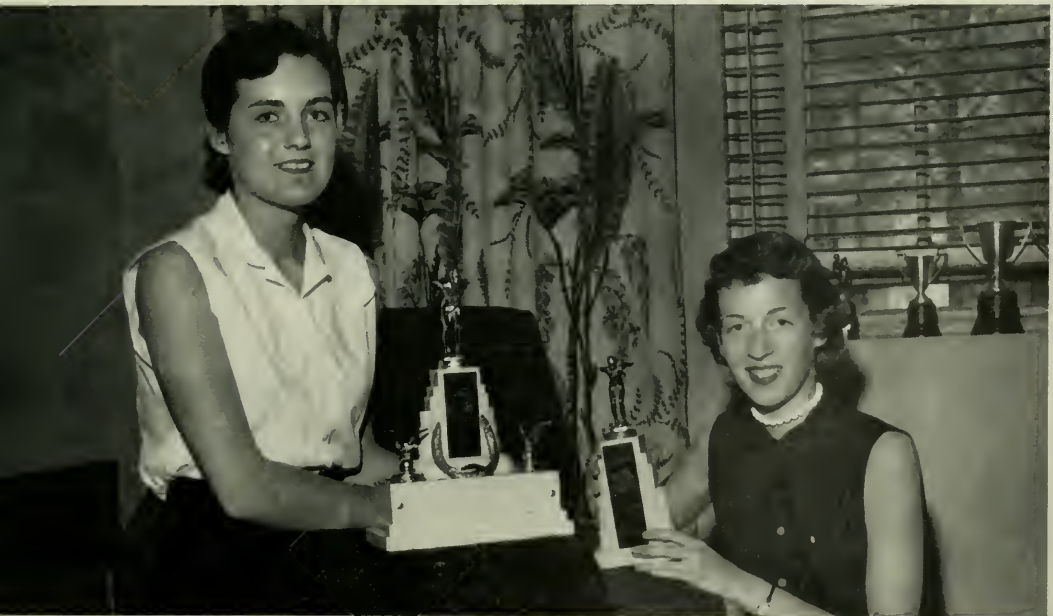

Kappa Delta scored again in the intramural basketball season. Four teams entered the competition, with Phi Mu and Kappa Delta each winning a game. In the last leg of the season KD met Phi Mu and defeated them 26-24.

A field of 29 contestants entered the annual ping pong tournament this year. The quarterfinalists were: Liz Chin, Jane Fuller, Marcia McLaine and Johanna Smey. Liz and Johanna met in the last round and Liz emerged the victor.

Inter-Fraternity Council

The Inter-Fraternity Council is a national organization whose goal is to keep harmonious fraternity relations at the University. This year the council has organized many pre-existing rules into a more effective unit. I.F.C. feels that there is room for one more fraternity on campus; at present there are three petitioning groups. I.F.C. and Pan-Hell sponsor the

Inter-Fraternity Prom, Songfest, and The Orphans Day Dinner. A Talent Show, whose admission was one toy, was held at Christmas for charity. I.F.C. sponsors the intramural sports program. At Songfest awards are made to the winning fraternity, the outstanding independent and senior fraternity men, and The Fraternity Scholarship Trophy is presented.

Pan-Hellenic Council is a national organization to which the sororities of the University are members. The Council serves to coordinate the sororities into a harmonious body which works together for the welfare of the individual groups and the University. Pan-Hell designates rush rules and functions as a judicial body in any dispute between groups. The Council is composed of the president, one elected delegate and the alumnae advisor of

each sorority. They sponsor participation in intramurals. The Pledge Scholarship Workshop and Pan-Hellenic Workshop. A tea is held each fall for all rushees which initiates the Fall Rush program, Orphans Day Dinner, Songfest and Inter-Fraternity Prom are held through the combined efforts of Pan-Hell and I.F.C. A yearbook is a record of the activities of a particular group during a single year. In our case it is a special type of record, a picture record. It is fitting then that some special recognition be given to the boys who have made this yearbook possible, the photographers. Seldom is it feasible to give them credit lines with the numerous photos that they have taken throughout a book. So here we give that credit.
